We may change the portability premium rates at any time upon 60 days written notice to You.

A pro rata premium payment is required for any period Your coverage was in force during the grace period.

- A copy of that statement is given to You, Your beneficiary or Your personal representative.

INCONTESTABILITY

Except in the case of fraud, no statement made by You in an application relating to Your insurability will be used to contest the insurance for which the statement was made after the coverage has been in force for two years during Your lifetime.

CLERICAL ERROR

Clerical error or omission by Us or by the Policyholder will not:

- Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will do both of the following:

- Use the facts to decide whether You are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE

If premiums are based on Your age and You have misstated Your age, We will make a fair adjustment of benefits to reflect the amount that the premium paid would have purchased at Your true age. We may require satisfactory proof of Your age before paying any claim.

If both You and Your Spouse are covered under the Policy as an Employee, then only one, but not both, may cover the same Children under his/her Children's Hospital Confinement Indemnity Rider. If the parent who is covering the Children stops being insured as an Employee then the other parent may apply for Children's coverage under this rider.

PORTABILITY FOLLOWING DEATH

If You die and Your Spouse is approved by Us for portability under the Spouse Hospital Confinement Indemnity Rider, then this Children's Hospital Confinement Indemnity Rider can be continued under Your Spouse's coverage. Following portability of this rider, Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

Premiums will be billed directly to Your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time Your Spouse applies for portability. We may change the portability premium rates at any time upon 60 days written notice to Your Spouse.

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

• **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

• **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

(800) 927-4357

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.

**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner of multiple non-group policies of life insurance.

RENEWABILITY

The coverage under the Policy is conditionally renewable according to the terms and provisions of the Policy.

II. SCHEDULE OF BENEFITS

If any facility Confinement benefit in your Certificate or any riders is less than \$40 per day, then this benefit is increased to \$40 per day.

If your Certificate or any riders include a BENEFIT REDUCTIONS provision or reductions due to age, these reductions will not decrease the daily facility Confinement benefit for any Covered Person below \$40.

If any facility Confinement benefit in your Certificate is for less than 31 days, then this benefit is increased to 31 days.

III. DEFINITIONS

If the definition of **Hospital** in your Certificate excludes a hospice unit, including any bed designated as a hospice or swing bed, then that exclusion does not apply.

If your Certificate and any riders contain a definition of **Pre-Existing Condition**, and the time period in that definition is more than 6 months, then the time period in that definition is limited to 6 months.

IV. GENERAL PROVISIONS

The following provision is added to your Certificate:

CONSUMER NOTICE

If you (a) need the assistance of the governmental agency that regulates insurance; or (b) have a complaint you have been unable to resolve with your insurer, you may contact the Department of Insurance:

V. BENEFITS (or HOSPITAL CONFINEMENT INDEMNITY BENEFITS)

If the references to re-Confinements in your Certificate indicate time periods of less than 90 days, then this time period is changed to 90 days.

VI. EXCLUSIONS

If your Certificate and any riders contain an exclusion for felony or illegal activity, then that exclusion is replaced by the following:

- Participation in a felony.

If your Certificate and any riders contain an exclusion for intoxication while operating a motor vehicle, then that exclusion does not apply.

If your Certificate and any riders contain an exclusion for misuse of alcohol or taking of drugs, then that exclusion is replaced by the following:

- Alcoholism or drug addiction.

If this exclusion in your Certificate or any riders contains an **Exception**, that Exception is unchanged.

If your Certificate and any riders contain an exclusion for elective surgery, then the reference to “elective” is changed to “cosmetic” and the following is added to that bullet:

“Cosmetic surgery” will not include reconstructive surgery when the service is incidental to or follows surgery resulting from trauma, infection or other diseases of the involved part; reconstructive surgery because of congenital disease or anomaly of a covered dependent child; or involuntary complications or complications related to a cosmetic procedure.

If your Certificate and any riders contain exclusions for racing, aircraft or hot-air balloons, recreational activities or competitive athletic contests, then those exclusions do not apply.

The following exclusion is added below the bulleted list of EXCLUSIONS in your Certificate and any riders:

In addition, benefits are not payable due to illness, treatment or medical condition arising out of professional aviation for wage or profit.

If your Certificate includes a Children’s Hospital Confinement Indemnity Rider with a PRE-EXISTING CONDITION EXCLUSION, then the following statement is added to that provision:

Congenital Anomalies are not considered a Pre-Existing Condition.

VII. CLAIMS

If the BENEFIT PAYMENTS provision in your Certificate and any riders indicates that there is a time limit on when we will make payment, then that statement is replaced by the following:

Once a claim has been approved, we will make payment immediately upon receipt of due written proof of claim.

VIII. CHILDREN'S HOSPITAL CONFINEMENT INDEMNITY RIDER

If your Certificate includes a Children's Hospital Confinement Indemnity Rider, then in addition to any changes noted above, this rider is changed as follows:

In the **SCHEDULE OF BENEFITS**:

If the BENEFIT AMOUNTS provision contains an **Exception** regarding admission benefits payable for a newborn Child, then that **Exception** does not apply.

If there is a NEWBORN BENEFIT provision, that provision does not apply. The benefit amounts payable for an eligible newborn Child are the same as the benefit amounts payable for any other eligible Child. If there is a benefit for a stillborn Child, that benefit is unchanged.

In the **DEFINITIONS** section:

If the definition of **Child** or **Children** includes a maximum Child age of less than 25 years, then this maximum is changed to 25 years.

The reference to an adopted child in the definition of **Child** or **Children** is changed to add the following:
"Placed" means physical placement in your care, except when physical placement is prevented due to the medical needs of the child, in which case 'placed' means the date you sign an agreement for adoption of the child and assume financial responsibility for the child.

If the definition of **Child** or **Children** includes a requirement that the child be eligible to be claimed by you or your Spouse for federal income tax purposes, then that requirement does not apply to your natural or adopted child.

If the definition of **Child** or **Children** includes any requirements for full-time students over a certain age, then these requirements do not apply.

The following definition is added:

Congenital Anomaly means a condition existing at or from birth that is a significant deviation from the common form or function of the body, whether caused by a hereditary or developmental defect or disease. The term significant deviation is defined to be a deviation which impairs the function of the body, and includes but is not limited to the conditions of cleft lip, cleft palate, webbed fingers or toes, sixth toes or fingers, or defects of metabolism and other conditions that are medically diagnosed to be congenital anomalies.

In the **GENERAL PROVISIONS** section:

If the EFFECTIVE DATE provision includes a time period following the date you become eligible for Children's coverage during which you must apply or elect coverage, then this time period does not apply.

The following replaces any language in the EFFECTIVE DATE provision specific to a newborn Child, other than for a stillborn Child (if there is no language specific to a newborn Child, then this is added):

If you have Employee coverage but you do not have Children's coverage under this rider, and you acquire a new eligible Child due to birth, your eligible newborn Child is automatically covered under the terms of this rider for the first 60* days after birth. This includes an adopted newborn Child who is placed with you within 60 days after birth. The effective date of any coverage you apply for after birth is subject to the conditions above including Active Employment. Coverage beyond the 60th* day is subject to the conditions above regarding application and Active Employment.

If you pay any part of the cost of coverage under this rider, the Employer will notify you of the premium required for this rider and the date that either payroll deductions will begin or your first premium payment is due, which will not be less than 31 days following your receipt of the notification.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 60 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 60 days after birth, the "event" will be the date of placement. No additional premium is required.

*If your rider indicates a longer period, then the longer period will apply.

In the TERMINATION provision, if any reference to termination of coverage for your newborn Child has a time period of less than 60 days, then this time period is changed to 60 days. If there is no reference to termination of coverage for a newborn Child, then the following is added to the list:

- For your newborn Child, the 60th day after the newborn Child's birth, if Children's coverage under this rider is not otherwise effective on that date according to the EFFECTIVE DATE provision.

In the **CHILDREN BENEFITS** section:

If the first paragraph contains an **Exception** regarding admission benefits payable for a newborn Child, then that **Exception** does not apply.

If your rider has a NEWBORN BENEFIT provision, that provision does not apply. The benefit amounts payable for an eligible newborn Child are the same as the benefit amounts payable for any other eligible Child. If your rider contains a benefit for a stillborn Child, that benefit is unchanged.

HOSPITAL CONFINEMENT INDEMNITY COVERAGE

**THE CERTIFICATE PROVIDES LIMITED BENEFITS
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER ALL MEDICAL EXPENSES**

OUTLINE OF COVERAGE FOR IDAHO RESIDENTS

Read Your Certificate Carefully – This outline of coverage provides a very brief description of the important features of coverage. This outline is not the insurance contract and only the actual Policy provisions will control. The Policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR CERTIFICATE CAREFULLY!

Hospital confinement indemnity coverage is designed to provide, to persons insured, coverage in the form of a fixed daily benefit during periods of hospitalization resulting from a covered accident or sickness, subject to any limitations set forth in the Certificate. Coverage is not provided for any benefits other than the fixed daily indemnity for hospital confinement and any additional benefits described in the Certificate and riders.

The Policy pays a fixed benefit amount for each day that a covered person is confined in a hospital, to a maximum number of days per confinement. At the Policyholder's option, there may also be a daily benefit payable for confinement in a critical care unit (CCU), a CCU step-down unit, and/or a rehabilitation facility. The Certificate and riders will contain information about the daily benefit amounts, types of facilities, and duration of benefits. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of benefits available under the Policy.

Hospital confinement indemnity coverage is subject to exclusions which may prevent benefits from being paid. Also, benefit payment is contingent on proof of loss which may require additional information be provided prior to claim determination. At the Policyholder's option, there may also be an eligibility waiting period, during which time no coverage is in force. **There may be benefit reductions or termination provisions based on age.** There may also be benefit reductions during the initial 1, 3, 6, 9 or 12 months of a covered person's coverage.

A description of any policy provisions that exclude, eliminate, restrict, reduce, limit, delay or in any other manner operate to qualify payment of benefits are provided in the Certificate and any riders. The exclusions that apply to all provisions for hospital confinement indemnity coverage are provided in the "Exclusions" section of the Certificate and any riders. The "Schedule of Benefits," the Benefits section(s) and the "Exclusions" section of the Certificate and any riders provide specific information about the conditions for receiving benefits and any limitations. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of the exclusions and limitations under the Policy.

Your coverage will continue under the Policy, while the Policy remains in force, as long as you continue to meet the eligibility requirements and all premiums due are paid. You may have the option to continue your coverage by direct payment of premiums to ReliaStar Life Insurance Company after you no longer meet the eligibility requirements.

The Policyholder may change the terms of the Policy at any time with ReliaStar Life Insurance Company's agreement. The Policyholder or ReliaStar Life Insurance Company may terminate the Policy at any time. ReliaStar Life Insurance Company reserves the right to change premiums at any time according to the terms of the Policy.

The Policy may provide additional benefits under optional riders. The Certificate and riders will contain a description of all benefits included under the Policy.

THIS IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the "Guide to Health Insurance for People With Medicare" available from the company.

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer or health maintenance organization that issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy or contract from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer or the health maintenance organization.

In addition, residents of Minnesota who purchase life insurance, annuities, health insurance, or health maintenance coverage from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer or health maintenance organization becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations.

Minnesota Life and Health Insurance Guaranty Association

Telephone: (612) 322-8713

The maximum amount the Guaranty Association will pay for all policies or contracts issued on one life by the same insurer or health maintenance organization is limited to \$500,000. Subject to this \$500,000 limit, the Guaranty Association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance, health maintenance organization, and long-term care benefits, including any net cash surrender and net cash withdrawal values, \$500,000 in disability income insurance, \$250,000 in annuity net cash surrender and net cash withdrawal values, \$410,000 in the present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000, the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the Guaranty Association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association's limits you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers and health maintenance organizations licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY CONTRACT OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

NOTICE OF PROTECTION PROVIDED BY NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs).

The protections provided by the Association are based on contract obligations up to the following amounts:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of type of coverage, is \$300,000; however, may be up to \$500,000 with regard to health benefit plans.

“Health benefit plan” is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTC).

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ndlifega.org, or contact:

North Dakota Life and Health Insurance Guaranty Association

COMPLAINTS AND COMPANY FINANCIAL INFORMATION

A written complaint to allege a violation of any provision of the Life and Health Insurance Guaranty Association Act must be filed with the North Dakota Insurance Department, 600 East Boulevard Avenue, Dept. 401, Bismarck, North Dakota, 58505; telephone (701) 328-2440. Financial information for an insurance company, if the information is not proprietary, is available at the same address and telephone number and on the Insurance Department website at www.nd.gov/ndins.

Insurance companies and agents are not allowed by North Dakota law to use the existence of the Association or its coverage to sell, solicit, or induce you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and North Dakota law, then North Dakota law will control.

**NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:

- Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

Individual Annuities

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
- If the person is provided coverage by the guaranty association of another state.
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. Policyholders with additional questions should first contact their member insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.palifega.org. **NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER
THE SOUTH DAKOTA LIFE AND
HEALTH INSURANCE GUARANTY
ASSOCIATION ACT**

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000, but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance, and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdlifega.org, which contains a link to SDCL Chapter 58-29C.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

To learn more about the above protections, please visit the Association's website at www.utlifega.org, or contact:
